## Grider Hill Resort Marina is now StriperFun Guide Service “Headquarters”!

Grider Hill Resort Marina and StriperFun Guide Service are pleased to announce that Grider Hill Resort Marina is the new StriperFun Guide Service “Headquarters”!

*“We are so excited to be partnering with Captain Jim Durham and StriperFun Guide Service! As a well established part of the Lake Cumberland region and community, Captain Jim Durham and StriperFun has developed a terrific reputation and strong following on Lake Cumberland as well as nationally. Grider Hill is very happy to have Captain Jim and StriperFun Guide Service “headquartered” with us as the resort continues to expand our services!”*

– Jim Figuerado, Owner, Grider Hill Resort Marina

Grider Hill Resort Marina offers the most comprehensive recreation, entertainment, fishing and houseboat experience on Lake Cumberland. Grider Hill provides great dining at their “on the water” restaurant along with terrific lodging in their beautiful landmark lodge, luxury suites with balconies and lake views and beautiful secluded cabins in the woods! When you add in the cleanest and best priced houseboats on Lake Cumberland, as well as great prices on boat slips, day boat rentals and with new ownership dedicated to excellent customer service, it is no wonder that Grider Hill Resort Marina is the fastest growing resort on Lake Cumberland!

StriperFun Guide Service is the largest fishing guide service on Lake Cumberland! With six charter guides to serve our customers, StriperFun runs hundreds of fishing charters a year. All StriperFun Captains are Federal Coast Guard Certified and State licensed insured and are well trained with no less than 20 years' experience on Lake Cumberland. All StriperFun boats have the top of the line electronics, fishing gear and Coast Guard safety equipment. These boats are also covered and heated in inclement weather for customer comfort!

Specializing in "Trophy" Striper fishing as the owner of StriperFun Fishing Guide Service and "Captain Jim Special" fishing lures, Captain Jim is a Kentucky native and State licensed guide who has fished Lake Cumberland for over 50 years. He is also a U.S. Coast Guard Merchant Marine Captain and former Search and Rescue Patrol Officer with the U.S. Coast Guard Auxiliary. Captain Jim is also the creator of the *Striper Fish like a Pro* instructional DVD series.

*"As StriperFun has continued to grow over the years, it was time to choose a marina to be our home and headquarters. Grider Hill Resort Marina has developed into the premier vacation and weekend getaway spot on Lake Cumberland! With a huge 300 acre facility including RV spots and camping, beautiful houseboats, great boat slips and luxury lodging, when coupled with such a friendly staff, Grider Hill was the obvious choice for StriperFun! I am excited to have StriperFun Guide Service "headquartered" at Grider Hill and to be working with the management team to promote all Grider Hill Resort Marina has to offer. We are happy to provide Grider Hill slip customers and visitors with high quality and safe fishing adventures on beautiful Lake Cumberland!"*
