Anglers Outpost & Marine

96 S Camp Dick Rd.

Lancaster ,KY 40444

We are a growing Trail. Our first year we had 44 boats, our second year we had 73 boats. We had 8 Divisions last year, we are at 18 to 20 divisions right now and I am still getting calls about others. We will have divisions in 6 states this year. In 2014 or classic had 78 boats

Our program with B.A.S.S. goes like this, for every 50 boats we have in our system, we will get 1 boat to qualify for the Bass Masters Team Classic. The top 3 boats from that Team classic will qualify for a fish off. Teams will be separated, each member will fish alone and will fish out of new Skeeter boat and the winner of that fish off will go on to the **Bass Masters Classic**. In 2014 we had 305 members BASS let us have 7 teams in the Bass Masters Team Classic with one of our teams finishing 4th just one place out of the fish off and winning \$4000.00

Membership info: \$50.00 per member goes to help fund fall classic, \$10.00 per member goes to B.A.S.S. for a total of \$60.00 payable to **NTBA**.
